Scribner Book Company, United States, 2012. Hardback. Book Condition: New. 231 x 160 mm. Language: English . Brand New Book. At some point in nearly every marriage, a wife finds herself asking, What the is wrong with my husband?! In David Finch's case, this turns out to be an apt question. Five years after he married Kristen, the love of his life, they learn that he has Asperger syndrome. The diagnosis explains David's ever-growing list of quirks and compulsions, his lifelong propensity to quack and otherwise melt down in social exchanges, and his clinical-strength inflexibility. But it doesn't make him any easier to live with. Determined to change, David sets out to understand Asperger syndrome and learn to be a better husband-- no easy task for a guy whose inability to express himself rivals his two-year-old daughter's, who thinks his responsibility for laundry extends no further than throwing things in (or at) the hamper, and whose autism-spectrum condition makes seeing his wife's point of view a near impossibility. Nevertheless, David devotes himself to improving his marriage with an endearing yet hilarious zeal that involves excessive note-taking, performance reviews, and most of all, the Journal of Best Practices: a collection of hundreds of maxims and hard-won epiphanies that result from self-reflection both comic and painful. They include Don't change the radio station when she's singing along, Apologies do not count when you shout them, and Be her friend, first and always. Guided by the Journal of Best Practices, David transforms himself over the course of two years from the world's most trying husband to the husband who tries the hardest, the husband he'd always meant to be. Filled with humor and surprising wisdom, The Journal of Best Practices is a candid story...
