The University of Chicago Press, United States, 2015. Paperback. Condition: New. New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Written from a vantage point both high and deliberately narrow, the early novels of the late British master Anthony Powell nevertheless deal in the universal themes that would become a substantial part of his oeuvre: pride, greed, and the strange drivers of human behavior. More explorations of relationships and vanity than plot-driven narratives, Powell s early works reveal the stirrings of the unequaled style, ear for dialogue, and eye for irony that would reach their caustic peak in his epic, A Dance to the Music of Time. Powell s sophomore novel, Venusberg, follows journalist Lushington as he leaves behind his unrequited love in England and travels by boat to an unnamed Baltic state. Awash in a marvelously odd assortment of counts and ladies navigating a multicultural, elegant, and politically precarious social scene, Lushington becomes infatuated with his very own, very foreign Venus. An action-packed literary precursor to Wes Anderson s The Grand Budapest Hotel, Venusberg is replete with assassins and Nazis, loose countesses and misunderstandings, fatal accidents and social comedy. But beyond its humor, this early installment in Powell s literary canon will offer readers a welcome window onto the mind of a great artist learning his craft.
