Or do you have a book already written and just don't know how to get it published? Self-publishing is being talked about everywhere these days. You've heard about successful authors, such as E.L. James the writer of Fifty Shades of Grey, who have made millions of dollars and gained worldwide attention self-publishing. How can you imitate her success? In What's the Deal with Self-Publishing, experienced publisher Karen Hodges Miller, the founder and CEO of Open Door Publications, an independent publishing company which helps authors write, publish and promote their books, takes you through the basics of self-publishing today. You'll learn: The difference between traditional publishing and self-publishing How to choose the type of publishing which is right for you and your book Why you need a creative team and how to put one together How to attract readers - not just buyers - to your book Why you need reviews and how to ask for them How to use social media to reach readers who want your...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
