Al Forbes is just short of desperate and sliding into depression. His escape of choice: enroll in business school. Setting out for the University of Wisconsin in the fall of 1976, Al begins a journey, not just into learning about business and finding a career, but returning to the work-hard, play-harder environment of academia. In between challenging business classes, Al has no trouble hooking up with people who want to party and reuniting with friends from his undergrad days. More importantly, Al has finds it easy to satisfy his insatiable sexual appetite with a parade of willing partners. When his somewhat-steady girlfriend, Misty, dumps him, he finds no shortage of women eagerly waiting in line for what she so callously threw away. Fulfill your fantasies through Al s encounters with his friends, where spirits flow freely, and his women, whose only desires are to please and be pleased. You ll be as satisfied as Al with how much he learns in school.
