TROPICAL DISEASES

Oxford University Press, USA. Paperback. Book Condition: New. Paperback. 320 pages. Tropical Diseases outlines the diagnosis, prevention, and treatment of diseases encountered in developing regions---areas where the unexpected can occur and where Western medical capabilities are often unavailable. Taking a pragmatic approach, it is an invaluable reference and resource for medical professionals and students travelling abroad or working in unfamiliar terrain. Diseases profiled here include a brief historical background, main signs and symptoms, and practical methods of individual prevention and...
