DEMENTIA: NEW SKILLS FOR SOCIAL WORKERS

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Dementia: New Skills for Social Workers, Alan Chapman, Mary Marshall, Working with people with dementia and their carers is one of the most exciting fields of social work. The dramatic increase in numbers makes it a high priority for health, local authorities, private and voluntary agencies. At the same time, the field offers constantly changing approaches and improving techniques. Multidisciplinary work is needed to such an extent that it challenges all..

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotonny at at any moment of your own time (that's what catalogs are for about should you request me).

-- **Cale Hansen Sr.**

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.

-- **Norma Carroll**
