## DON MOCK S MODAL MOJO: THE NO MYSTERY APPROACH TO MODAL IMPROVISING, BOOK CD (PAPERBACK)

Alfred Music, 2009. Paperback. Condition: New. Language: English . Brand New Book. Modal Mojo is an in-depth and complete lesson on modes for modern guitarists. With its 84-page book, and over eight hours of audio instruction, demonstration, and play-along tracks, this is truly one of the most complete studies of the modes available for players of any level. Mock includes etudes and rhythm examples for each mode as he takes you step-by-step through all 28 modal grooves. He demonstrates the use of arpeggios, sequences, intervals, chromatics, and optional scales to make your modal improvising more melodic and interesting. The book also features a special Resource Section, which illustrates the best scale patterns for the modes and important modal chord substitution concepts. The 28 play-along grooves are performed live by guitarist Don Mock, bassist Steve Kim, and drummer Dave Coleman, and cover all the common and not-so-common Dominant 7th, Major and Minor modes. The tracks are creative real-world performances with dynamic and color changes, which can inspire new ideas from the practicing musician. The trio performs the grooves using contemporary jazz, Latin, fusion, and rock feels in various tempos and keys. Not only are the play-along grooves a valuable resource for developing improvisational skills, but also offer a wealth of ideas for rhythm and comping.
