Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prayer has been the vehicle through which divine changes have taken place on the earth: in people s lives, cites and nations. When we look around, we see chaos, suffering, pain and evil. Men and women of dignity and power are falling daily. Families are being torn apart by challenges, death and the unexpected, because we have neglected the most important aspect of our lives as believers. In this book, a look at praying from various perspectives has been presented: The Intercessors - who they are, how to excel and please God interceding. The Prayer Warriors - who they are, their mode of operations and responsibilities. Effective Prayer - knowing what we all are up and against (the four-tier satanic onslaught) and how to fight and defeat them. God Is Still Hiring is for everyone who wants his/her prayer abilities to augment and be fruitful in praying. It can also serve as a training manual for raising prayer teams and general teaching on prayer.
