HEMBREE HOPEFULS A HEMBREE ELEMENTARY STORY

[DOWNLOAD](#)

iUniverse. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 9.2in. x 6.1in. x 0.5in. The first semester at Hembree Elementary School was filled with intrigue and mystery as three mischievous fifth grade boys learned a valuable lesson about themselves. The first-year school, under the supervision of the disciplined, yet encouraging principal Mrs. Silly-Willie, had a bizarre situation where electric pencil sharpeners were missing. The boys, along with their female classmates, had an interesting winter, too. A mystifying mural, created by an enigmatic artist Magi, catapulted the students into a fantastic world where fantasy and reality were difficult to tell apart. Now, with spring fresh in the air, Mr. Puffys class participates with a partner school across town in the district-wide science fair. The group of students creates a most unusual project. This project catapults them into a yet another captivating adventure where their writing and reasoning skills will be significantly challenged. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
