

How We Can Stop Promoting Autism in Our Children: 2nd Edition

By Alison Brooks Nd

Hundredth Shire Publishing, LLC, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Families affected by autism are thrown into chaos and despair. Parents ask, How did this happen to my child? To date, no one has provided a definitive answer as to what causes autism. Although there s much speculation, nothing has been proven scientifically. As a traditional Naturopathic Doctor, I ve served families with an autistic family member for many years--and it is the entire family that suffers this syndrome. I have also observed triumphs in bringing autistic children forward to productivity on the road to self-sufficiency and an independent life. But I ve also seen failures. I ve watched as parents promoted, even exacerbated their child s autism syndrome. I have drawn a straight line between a family s lifestyle, the hidden dangers in the food fed to children, digestive health issues and the many nutritional deficits that ensue, and the manifestation of autistic behavior. This book speaks to how our quick-fix, multi-tasking, always on-the-go lifestyle promotes autism. It s a checklist of those things we do, that we must stop doing, and a guide...

Reviews

I just started off reading this article publication. This really is for all who statte there had not been a really worth looking at. You will not feel monotony at anytime of your own time (that's what catalogs are for about should you ask me).

-- Prof. Jeremie Kozey

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
