Chicago House Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.General chemistry is a course required for every science student regardless of career path. Within this introduction to chemistry class, students gain an essential foundation in the chemical makeup of the world around us. Whether you want to be a doctor, a nurse, earn a PhD, or enter any other field involving science in any way, gaining a strong understanding of chemistry from the start is an invaluable first step. The General Chemistry Workbook Solutions Manual is a step-by-step guide through first-year chemistry for students who want to effectively learn chemistry while earning the best grade possible in the process. With detailed solutions to every question, this book will ensure you're ready on test day, whether that be in an undergraduate classroom or a standardized test, such as the MCAT or PCAT. It covers all of the content in standard general chemistry courses. The First Quarter is designed for students on a quarter system at their university - it includes the first third of the book, both the workbook and solutions manual, at an affordable price. If you are looking for a way to improve your science grades, earn a solid foundation in chemistry, and prepare for that next big test in your chemistry course or another test, this book is absolutely for you.
