Brand New Book ***** Print on Demand *****.On an Earth plagued by a Third World War, humankind is no longer the master species on the planet. The Ombra, a humanoid species, tens of thousands of years older than humans and humankind's superior, on an evolutionary scale; as well as possessing great telekinetic and other evolutionary gifts, share this world. Humankind's and the Ombra's existence is dependent upon each being able to find and keep inner peace, self-actualization, acceptance of self and others and a common bond, while spiritually, mentally and physically a demon is among them striving to destroy anything and everything placed within their grasps to create this peaceful and enlightening future.
