Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Killing is one of the most brutal things anyone can ever do, which in some states, may either lead to a death sentence or a life of imprisonment for the murderer if and when they are caught. Murder is a crime of intention, causing another individual s death without any legal justification or excuse. This crime falls under the category of criminal homicide. Based on both federal and state law, murder and homicide are considered among the most complex types of criminal behaviors. Moreover, the classifications of murder and homicidal offenses are also complex, however there are instances that it are divided into a handful categories, depending on the severity. The things that drives certain people to commit murder has long been the subject of debate and controversy. People often find themselves wondering the reasons behind certain murders, and what drives one person to kill another. They wonder if the person has a conscious, or even feels badly for their actions. However, despite the fact that there is a single slayer model, there are also individuals who are capable of killing not only one, but multiple people. Some would say that once a person has killed another individual without any legal reason, he doesn t have a heart that cares, he is without real love and understanding and most often doesn t believe what they have done is wrong. Most normal people are shocked and become deeply affected once they find that someone has killed another individual, especially if it is a close friend or a relative. And so, the search for justice comes down, and when a suspect is tried and convicted, often times they will plea for forgiveness, and throw...
