

Brief Calculus: Student Solutions Manual: An Applied Approach

By Michael Sullivan, Abshalom Mizrahi

John Wiley and Sons Ltd, United States, 2005. Paperback. Book Condition: New. 8th Revised edition. 272 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This accessible introduction to Calculus is designed to demonstrate how calculus applies to various fields of study. The text is packed with real data and real-life applications to business, economics, social and life sciences. Applications using real data enhances student motivation. Many of these applications include source lines, to show how mathematics is used in the real world. * NEW! Conceptual problems ask students to put the concepts and results into their own words. These problems are marked with an icon to make them easier to assign. * More opportunities for the use of graphing calculator, including screen shots and instructions, and the use of icons that clearly identify each opportunity for the use of spreadsheets or graphing calculator. * Work problems appear throughout the text, giving the student the chance to immediately reinforce the concept or skill they have just learned. * Chapter Reviews contain a variety of features to help synthesize the ideas of the chapter, including: Objectives Check, Important Terms and Concepts, True-False Items, Fill in the Blanks...
