

Chloroform and Other Anaesthetics

By John Economist Chapman

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1859 Excerpt: . . . above the very lowest orders of society, would be found to avail themselves of the immunity from suffering which anaesthetics hold out at such a price, and at such a sacrifice of moral obligations. 8th, That to destroy consciousness by inducing anaesthesia is to annihilate for a time the proudest and choicest characteristics of humanity. This formidable array of arguments and objections is fairly representative, we believe, of the principles which have animated all opponents of anaesthesia in the practice of midwifery; therefore, the evidence and reasoning adducible in reply to Professor Meigs and Dr. Ramsbotham may be regarded as effectually exhausting this part of our subject. The objections of Professor Meigs have, in our opinion, been completely disposed of in a letter addressed to him by Professor Simpson—a letter distinguished alike by its broad philosophical views, sound reasoning, and tender sympathy with human suffering. With out..
