Whatever kind of bride and groom you are, whether she's happy for you simply to turn up on the day on time and in the right outfit, or whether you both want to be actively involved, this book has all the answers. Full of essential information from the Grooms Editor of "You and Your Wedding", it includes everything any groom could possibly need to help him get through the best day of his life - and the long run up to it - unscathed and still on speaking terms with his bride-to-be. From planning the ceremony and finding a great suit to writing a speech, as well as plenty of fun stuff such as arranging a cracking stag night or renting a top class sports car to make sure he gets to the church on time. It's also full of essential survival tips - most importantly...

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
