GINGER CUBES (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 44 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.Excerpt from Ginger CubesDear Russell: When I heard that you had been taken to the hospital with a badly dislocated sense of proportion and exhaustion of the adjective secretions, I was worried. The doctor said that you were suffering from a severe attack of deprecation and under-statement, and I feared that would mean you would be quite unfit to help me in the forthcoming campaign for Ginger Cubes. But I hear now that a few weeks of silence and relaxation will bring you round. I have ordered the Police Gazette and The Nation to be sent you. Each in its own way is highly entertaining. In our last conference, just before you were taken ill, you tried with your usual energy and bullheaded vitality to persuade me to say a word about the Ginger Cubes at the Paperhangers Convention. You made a great deal of the point that this would be a vast gathering, and that it would be excellent business for me to give them a message. I ask you to meditate this thought: give me a small group of folks who are more or less interested in the same sort of thing that I am, and I will talk my head off. But speaking to large, miscellaneous audiences, many of whom are only incubating there to pass away the time until the theaters open, is my idea of loss of compression. We have appropriated a fine promotion budget for the Ginger Cubes, but I any holding up any action until I can argue the situation with you.
