Do you find yourself staring at your telephone and hoping it will ring? Are you haunted by recurrent images of your ex and his new girlfriend? Do thoughts of revenge keep you awake at night? Are you tempted to phone your ex - repeatedly - just to hear the sound of his voice? If you answered yes to any of these questions, it's time for you to take stock, take charge, and move on. Mandana Hoveyda's I m Fine! Is a quirky, raw, and so true illustrated journey through the first 100 days after a break-up. It provides sound advice, laugh-out-loud remedies, and hilarious cartoon drawings for navigating the 100 days, with tips on resisting the temptation to call, write, or stake out your ex; eliminating any trace of your ex from your closet and address book; expanding your horizons; the benefits of retail therapy; making over your wardrobe - and your attitude; finding the right psychic; and pampering your inner goddess. With 100 daily exercises, I m Fine! Is an irreverent but genuine antidote to all the well-meaning but - let's face it - really humourless self-help guides to getting on with your life.
