Progressive Rising Phoenix Press, LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Land of the Free, a history of the US cast as a memoir in two cultures. Navigating between two nations, Author David A. Bedford discovered the cultural differences and similarities between Argentina and the US. The typical themes and ideas, heard and repeated over the years, have characterized our societies and are often accepted and taken for granted by most people. They exert a powerful influence on people s attitudes, emotions, and sometimes unconsciously their behavior. In this book, David A. Bedford was compelled to share ideas and themes that struck him, and show how they affect lives. He also demonstrates how those themes evolved throughout history and what we can do as a society to think more consciously today. Two nations, one man. Land of the Free.
