Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. There are some 400 million people worldwide whose creativity, imagination and determination put the rest of us to shame. They are experts in their field, despite having no experience to speak of. Once, you were one of them too. They are toddlers - and they hold the key to unlocking our creative potential as adults. In *Little Wins: The Huge Power of Thinking Like a Toddler*, Ella's Kitchen founder Paul Lindley reveals the nine characteristics and behaviours that we can all learn from recalling our toddler selves. From attention-grabbing tactics that would humble most marketing experts to the art of thinking divergently, Lindley shows how much we've lost in getting old - and how we can get it back. Never mind growing up; it's time we grew down.
