Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Living in the Real World. A Math Simulation Game: Sure there are lots of consumer math lessons out there, but this one is just like being in a reality game show. Each student draws a biographical sketch depicting their income, marital status, number of children and education level. Using the statistically accurate data, they plan a budget, purchase a car, buy a house and pay income taxes. Students will learn how to write checks and balance a check book, understand their W-2 statement and their credit card statement. The unit culminates with students planning for their retirement. This is a fabulous way to teach about economics and understanding the real world.
