Brand New Book ***** Print on Demand *****.Excerpt from Product and Climax On the way home from my vacation last summer I began to struggle for a phrase which would contrast for me the mood of my travelling companions in the morning when we left our distant mountain camp, with that in which we approached the prosperous city where we were to spend the night. I asked myself: They were happy and free as they were leaving - what? And they became, without knowing it, formal and irritable as they returned to - what?
