Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, A Dual Inheritance, Joanna Hershon, Autumn 1962: Ed Cantowitz and Hugh Shipley meet in their final year at Harvard. Ed is far removed from Hugh's privileged upbringing as a Boston Brahmin, yet his drive and ambition outpace Hugh's ambivalence about his own life. These two young men form an unlikely friendship, bolstered by a fierce shared desire to transcend their circumstances. But in just a few short years, not only do their paths diverge-one rising on Wall Street, the other becoming a kind of global humanitarian-but their friendship ends abruptly, with only one of them understanding why. Can a friendship define your view of the world? Spanning from the Cuban Missile Crisis to the present-day stock market collapse, with locations as diverse as Dar es Salaam, Boston, Shenzhen, and Fishers Island, A Dual Inheritance asks this question, as it follows not only these two men, but the complicated women in their vastly different lives. And as Ed and Hugh grow further and further apart, they remain uniquely-even surprisingly-connected.
