Beautiful patterns in a full-page rectangular, kaleidoscopic image for 50+ coloring pages that will keep you busy for weeks or months! Includes bonus coloring pages from the artist's other coloring books plus discount codes for future purchases. The artist, Dawn D. Boyer, Ph.D., has produced a compilation of delightful Zen dala or Mandalas (zen doodles in mandala kaleidoscopes) in this coloring book which allows the colorist to use their imagination in multiple ways with their choice of media. In this book you will find dozens of illustrations with complicated to simple zen mandalas. You will find more complicated images in this coloring book, including heavy lined drawings with simple shapes and designs and more fine-art styles with varied line weights (thin to medium). What can you do with the book once you have finished? Once the designs in this book are colored - give the books as gifts, use pages as scrapbook background art, create greeting cards, or use the designs and use in multi-media art. Frame them and hang them in the office, classroom, or at home where the designs can continue to inspire friends, family, and co-workers. The possibilities are endless! The artist has been sketching, coloring, drawing in sketchbooks since age five. After completing 14 coloring books over the last two years, she was looking for another topic to draw lovely images for her next effort.
