CONCEALED WEAPON GUIDE: YOUR RIGHT TO BEAR ARMS AND CARRY PROPERLY

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Concealed carry and the right to bear arms is a right that Americans have enjoyed since before the country even formed. While the federal government has tried to limit the use of concealed weapons, the states are in control of these particular laws and most are more than happy to allow individuals who are not felons, who take a safety course, and who are a certain age to have a concealed weapon permit. Of course, each of these states are going to have different laws in place concerning the use and issuance of concealed carry permits. This guidebook is going to take time to look at concealed carry weapons, what they are, and how to get a concealed weapon in your state. Chapter 1 talks a bit about concealed carry. This is when you are allowed to legally have a weapon and have it hidden either on your person or in a vehicle. In many cases, people will carry a weapon around for self-defense or have it on them when they do target practice or hunting. Each state has its own laws concerning how to get a permit and even where the weapon can be taken. Chapter 2 takes some time to talk about how to get a concealed carry permit. While each state is different, there are some similarities between most states that you should know ahead of time to ensure you increase your chances of getting a permit. Chapter 3 talks about the governments involvement in concealed carry. For the most part, the states get to choose their own laws regarding concealed carry and all states allow concealed carry to some extent. But...
