Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Der Neuffe Als Onkel: Lustspiel in Drei Aufzugen Chiller s Neffe als Onkel, which is an adapta tion rather than a translation of Picard s Encore des Menechmes for frequently the dialogue is entirely changed - forms one in the long list of comedies that have their point in the humorous situations brought about by the close resemblance of two persons in the play. This theme, from the time of Plautus s Menaechmi to Shakspere s Comedy of Errors, from Picard s and Schiller s plays to the weaker productions of our own day, never failed to amuse an audience. It goes without saying that the Shakspere comedy, including, as it does, certain superb pathetic elements, stands upon a higher plane than all the rest. The early popularity of this type of comedy in Germany is attested by versions of the play of Plautus by Albrecht V. Eybe in 1511, and again in 1548 by Hans Sachs. An English translation of the Menaechmi was printed in England in 1595, but was circulated in manuscript prior to that time. Schiller s labors upon this field had their incitement in his own need of relaxation from more serious work, and the request of Duke Karl August of Weimar, who wished to-see some of the plays of L. Benoit Picard. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
