The Library List: Being a List of Public Libraries in the United States and in Canada of Over 1000 Volumes, with Classification by Size and Name of Librarian (Classic Reprint) (Paperback)

By Richard Rogers Bowker

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Library List: Being a List of Public Libraries in the United States and in Canada of Over 1000 Volumes, With Classification by Size and Name of Librarian The library list is a compilation based on the list of libraries compiled by the United States Bureau of Education, and forming part of the Annual Report of the Commissioner of Education, now the Hon. N. H. R. Dawson. It differs from that, however, in eliminating the minor libraries of under a thousand volumes, in adding the names of Librarians, and in classifying, by means of types of different face, libraries of corresponding numbers, as over over over 5000, and over 1000. There is also added a supplementary list of libraries, made partly by the Bureau of Education and partly from the records of the office of the library journal In the present shape, with the opportunity given by the printing on alternate pages for correcting and extending the list to any date, it is hoped that this library list may be of service to all concerned with the library interest. The...
