Time Warner Trade Publishing, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Playing a bit off The Usual Suspects, the most successful of his more than 60 movies, Stephen reveals his unbelievable change from a hardcore party boy to a hardcore follower of Jesus Christ. Of all the people who have expressed disbelief about his conversion, Stephen says he remains the most surprised. He describes hardcore faith as the willingness to put your life and future completely in the hands of the invisible God, obeying His direction to the death. His life has been completely transformed - and we get the behind-the-scenes look at how that transformation has impacted his life inside and out. Stephen brazenly relays his observations about the culture at large and the work of the Church in it. He believes that the exposure of the Gospel must be ramped up and the way it is expressed must be changed as the culture changes. He is just as emphatic, however, that as ministry flexes with the times, it must remain true to the power and transcendent truth of the Gospel. The core of his message: You must be willing to try faith God's way, not yours, and when you do you will find a life beyond anything you could have dreamed.
