After decades of blessings and prosperity, America now faces the harsh realities of high unemployment, crushing debt, bankruptcies, and a collapsing housing market. A country that once overflowed with optimism is now plagued by fear. What has gone wrong Author Henry Fernandez believes that we are experiencing the consequences of our abandonment of the godly standards that, in the past, have been crucial for our success, both as a nation and as individuals. Far too many people, including Christians, have succumbed to the temptation of blending into a society afflicted by poverty, sexual immorality, abortion, and unchecked greed. Now, God is calling on Christians to strengthen and rebuild the foundations of their faith, their families, and their finances. By returning to Gods plan for success, you can: Free yourself from the chains of debt Reclaim your family for God Reap the blessings of giving Achieve victory over the devils schemes Experience Gods miraculous provision Crisisproof your home Build a faith that can overcome fear The God who created you has a master blueprint of abundance for all areas of your life.
