Genealogy At A Glance: Old Southwest Genealogy Research

By Dorothy Williams Potter

2013. Soft Cover. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. With records so sparse and far-flung, Old Southwest genealogy is the ideal subject for a research guide that can cover the basic elements of genealogical research in just four pages, giving you as much useful information in the space allotted as you'll ever need. To begin with, the Old Southwest covered a vast territory, and genealogical research within its bounds requires knowledge of its history and geography. Under territorial status, the Old Southwest consisted of territory east of the Mississippi, including Georgia, Alabama, Mississippi, and parts of Louisiana and Florida. Much of this area encompassed lands of the Creek, Cherokee, Choctaw, and Chickasaw Indians. Settlers arriving from the original Colonies were required to obtain passports for passage through Indian country, and after the Revolutionary War, settlers holding land were required to file proof of ownership. Thus an entire body of records grew up in the pre-statehood period, and this guide starts at the very beginning with a look at the earliest migratory paths and main travel routes through the...

Reviews

It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

-- Mr. Norval Reilly V

Undoubtedly, this is actually the greatest job by any author. This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.

-- Perry Reinger
