Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

LET S ROCK!: HOW 1950S AMERICA CREATED ELVIS AND THE ROCK AND ROLL CRAZE (HARDBACK)

ROWMAN LITTLEFIELD, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Rock roll was one of the most important cultural developments in post-World War II America, yet its origins are shrouded in myth and legend. Let s Rock! reclaims the lost history of rock roll. Based on years of research, as well as interviews with Bo Diddley, Pat Boone, and other rock roll pioneers, the book offers new information and fresh perspectives about Elvis, the rise of rock roll, and 1950s America. Rock roll is intertwined with the rise of a post-World War II youth culture, the emergence of African Americans in society, the growth of consumer culture, technological change, the expansion of mass media, and the rise of a Cold War culture that endorsed traditional values to guard against communism. Richard Aquila s book demonstrates that early rock roll was not as rebellious as common wisdom has it. The new sound reflected the conservatism and conformity of the 1950s as much as it did the era s conflict. Rock roll supported centrist politics, traditional values, and mainstream attitudes toward race, gender, class, and ethnicity. The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs, interests, and pastimes. Young and old alike were preoccupied by the same concerns, tensions, and insecurities. Rock roll continues to permeate the fabric of modern life, and understanding the music s origins reminds us of the common history we all share. Music lovers who grew up during rock roll s early years as well as those who have come to it more recently will find Let s Rock an exciting historical and musical adventure.
