As Jim and Jane reach the various property milestones in their lives, the investing principles and general property and financial options available and the pros and cons of these are covered. Issues covered include: * saving for a deposit * securing a mortgage * mortgage insurance * researching the market * scouting the market * negotiating the purchase * preparing your home for sale * developing an investment strategy * reducing debt * tax effective investment * asset protection * maximising cashflow * planning for retirement * dealing with life changes eg having children, working for yourself Through Jim and Jane s story, Property for Life brings a human dimension to property investing that other books lack.
