Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Seven Hundred French Terms for American Field Artillerymen The object of this little book is to offer American soldiers a short and convenient vocabulary of French words most frequently used in Field Artillery. The difficulty in preparing it has been to limit its size. It is hoped that the process of elimination has left only the most essential words. Major Durette has kindly read the manuscript and made valuable suggestions. Captain Dupont has read the proof and made important corrections. I wish to thank these officers of the French Artillery for their very material assistance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
