SOULFUL SPIRITUALITY: BECOMING FULLY ALIVE AND DEEPLY HUMAN (PAPERBACK)**DOWNLOAD**

Baker Publishing Group, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Spirituality has an indispensable role to play in the expression of our humanity. However, spiritual practices can sometimes make us less, not more, authentically human. We may be good Christians, but we aren't good human beings. How can we ensure that our spiritual journey is conducted in a way that allows us to become fully alive and deeply human? David Benner has spent thirty-five years integrating psychology and spirituality. Here he presents an expansive, psychologically informed understanding of spirituality, probing the contrasts between soulful and soulless spirituality, deep and shallow religion, and healthy and unhealthy relationships with God to affirm the vital role of human development in the spiritual journey. Benner then suggests soulful practices for cultivating the Christian spiritual life. This book will appeal to readers seeking depth and substance in their quest for authentic spirituality. It will also be a helpful resource for mental health professionals and spiritual directors. Reflection questions and exercises for individual or group use are included at the end of each chapter.d.
