On Demand Publishing, LLC-Create Space, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This journal was created to help us honor ALL our needs. It is a daily reminder that happiness, mindfulness, intentional living, and gratitude are choices. If we want to see change, we must shift our focus through our daily choices and habits. Writing daily in a journal allows us to come back to a place that roots us and gives us wings. Gratitude allows us to find happiness and contentment in the present moment. It pulls our focus from lack to abundance. Affirmations help us air out our wings so that we can fly. These phrases (always positive and written in the present) remind us of our inner strength and bring us back to our true selves. Vision writing allows us to reconnect to our higher purpose and envision how we want our lives to be. To focus on what is important to us. The guided action steps connect our vision to our current reality. This is how we plant the seeds of change!.
