This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

PERFECT PORCHES (HARDBACK)

Random House USA Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. A well-designed porch is like a welcoming committee that invites friends and family to share stories, catch up on neighborhood news, or quietly enjoy the breezes of a sultry summer evening. Porches bridge our public and private worlds, and convey the essence of one's home. In more than 250 stunning photographs of forty homes, Perfect Porches illustrates how varied these iconic American spaces can be. A wealth of structural appointments are presented, such as the extended eaves of a rain porch along the Gulf Coast, the shimmering copper flooring of a converted Amish cattle barn in Bluegrass country, and Outback-inspired painted thresholds in California's wine region. Unexpected ornaments, including Moroccan pendant lamps, a vintage watering can collection, or a majolica menagerie can transform even the most modest porch into an oasis. This book also reveals a host of practical ways to bring privacy to urban porches, chic accents to old-fashioned verandas, and coziness to modern environments. Home owners share colorful stories about using their porches as communal stages for magical and sometimes mythological events, telling of ghosts encountered, arias sung, and families reunited. Whether you seek to reawaken a cherished memory of a childhood porch, create an adorned haven of your own, or take an enlightening journey across the nation, this volume is certain to become a treasured companion as well as a source of fresh inspiration.
