

Sarah Bastard's Notebook

By Marian Engel

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Sarah Bastard's Notebook, Marian Engel, First published in 1968 by Longman Canada, the novel tells the hilarious and frustrating story of thirty-year-old academic Sarah Porlock as she makes her way through the minefields of career and love in late-1960s Toronto. Long recognised for her groundbreaking novel *Bear* (1976), Engel's first novel can now rightly be seen to inaugurate and participate in a number of important literary traditions. Like Scott Symon's controversial 1967 book, *Place d'Armes* (also published by the Insomniac Library), it is a species of notebook or journal, which, as critic Elspeth Cameron has argued, reminds us as has so much recent Canadian literature, that evolution is preferred to revolution, that what is great in the past can be adapted to give strength to the present. This is also one of the first of the truly great feminist novels written in English, inaugurating a tradition that would continue with the work of Margaret Drabble and Margaret Atwood.

Reviews

Absolutely essential read through ebook. Better than never, though I am quite late in starting reading this one. I am just delighted to inform you that this is actually the finest ebook I actually have read through during my own existence and might be the greatest publication for actually.

-- **Ms. Vernie Stracke**

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my dad and dad recommended this book to find out.
