I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Perseverance Press, United States, 2012. Paperback. Book Condition: New. New.. 214 x 138 mm. Language: English . Brand New Book. History professor Lindsey Page has a quiet, well-ordered life, but it s about to get complicated. Her daughter, with whom she has a troubled relationship, shows up on her doorstep. The immigrant woman Lindsey is interviewing for a book asks her for help in reclaiming the son taken from her during a massacre in her Salvadoran village. And her closest friends, the three women Lindsey has known since their college days in Berkeley where they witnessed the kidnapping of Patty Hearst, are hiding secrets that will forever change those friendships. Lindsey must grapple with questions of family identity, nature vs. nurture, truth in wartime, the ethics of power for latter-day robber barons in the US and Central America, and the law of unforeseen consequences. Moving back and forth from the 1970s to the present, from the San Francisco Bay Area to El Salvador this sprawling saga follows Lindsey, her friends, and family through tumultuous political, social, and cultural changes and choices.
