Praise for Emerging Real Estate Markets In this book, you ll discover how to snatch real estate opportunities at low prices, before their value becomes common knowledge. Buy all the copies on the bookshelf before your competitor does! --Frank McKinney, The Maverick Daredevil Real Estate Entrepreneur and author of Frank McKinney s Maverick Approach to Real Estate Success I ve never seen another real estate book even come close to laying out a profit road map the way this one does. If your local economy is too hot or too cold, Lindahl s guide will show you how to invest in the up-and-coming markets with the greatest profit potential. --Stacy Kellams, President, Lindahl shows you how to look into the future and see where the next hot real estate markets will be. It s the closest thing I ve found to a real estate crystal ball. --Jeff Adams, President, The brilliant thing about this book is Lindahl s approach to investing by remote control. He has a real-world system for living in one place and making money from investments in another. --William Bronchick, attorney and coauthor of Flipping Properties In the crowded field of real estate gurus, Lindahl stands head-and-shoulders above the rest. This book is must reading for any serious investor--beginner or veteran. --Justin Ford, author of Seeds of Wealth and Main Street Millionaire.
