

Fotosintesis (Photosynthesis) (Paperback)

By Torrey Maloof

Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Have you ever seen a tree at the grocery store buying dinner? Probably not! Discover how plants harness solar energy and other elements to make their own food through photosynthesis, a crucial process upon which all living things depend. Third-grade students will enjoy learning about photosynthesis and plant structures through this high-interest informational text filled with fun facts and colorful images. Aligned to the Next Generation Science Standards, a hands-on Think Like a Scientist lab activity is included at the end of the book, providing students with an opportunity to apply what they've learned in the book. Helpful diagrams and text features, such as a glossary and index, are also included to improve content-area literacy and support STEM education.

Reviews

Definitely among the finest pdf I actually have at any time read through. It is one of the most amazing pdf I actually have study. I discovered this ebook from my i and dad recommended this pdf to find out.

-- **Turner Stiedemann**

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
