

On the Principles and Practice of Conducting

By Thakar, Markand

Boydell & Brewer Inc, 2016. Hardcover. Book Condition: New. 15.24 x 22.86 cm. his book is a practical manual for anyone who stands on a podium helping an ensemble make music. The four main chapters address the major obligations of the conductor: (1) bringing the musical tones to life in the most beautiful, most moving way possible; (2) freeing the mind to fully absorb all the tones; (3) freeing the body of unnecessary tension; and (4) effectively using the freed mind and body to influence the sounds. Each chapter begins with a summary of the underlying principles, presents real-life applications, and offers exercises for developing skills. Video demonstrations of the exercises as well as downloadable scores and parts are available on a companion website. The parts, in multiple transpositions, allow for hands-on experience where standard instrumental complements are unavailable [Publisher description].
