Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Good and Ancient Way separates truths of the Bible from the cultural noise that too often renders faith largely irrelevant in post-modern society. An easily understood guide to the universal essentials of Christianity that have prevailed for thousands of years, the book is concise, yet engaging, and the vital elements of faith are offered in a simple and logical sequence, focusing on a spiritual relationship with God that touches on the whole of life. It differs from other books by centering on timeless truths actually presented in the Bible and avoiding divisive denominational distinctions that have little to do with Scripture. The Good and Ancient Way is ideal for curious seekers, young believers, and the religiously disenfranchised.
