An incredibly wonderful ebook with lucid and perfect answers. It is written in easy words instead of difficult to understand. It has been printed in an exceptionally easy way in fact it is simply following. I finished reading this publication in which really modified me, modify the way I think.

Adam wants to focus on his work, not to be distracted by this tall, sexy woman. A foiled kidnapping attempt may have forced him to take an undercover agent into his household, but no one said anything about the agent being a woman, or that she'd be beautiful, or that she came with two monster rottweilers. How is he supposed to concentrate on his top-secret project that could revolutionize the world when all he can think about is her smooth, coffee-colored skin and those long, lean legs? But as danger nips at their heels, love may be a distraction neither of them will live to enjoy . . .
