

A Handbook of New England: An Annual Publication (Classic Reprint)

Filesize: 6.87 MB

Reviews

It is an amazing publication which i actually have at any time go through. It really is writter in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 854 pages. Dimensions: 9.0in. x 6.0in. x 1.7in.Excerpt from A Handbook of New England: An Annual PublicationIn defense of this book the editor wishes to make it clear that this is a first edition, - a beginning, not an end. The present book is frankly an inadequate treatment of a great and worthy theme. Revised editions must appear before an adequate result is attained. This Handbook of New England has not been made primarily for the intellectual divertissement of New Englanders. The Visitor, on the other hand, the stranger from without our gates, the Man from Missouri, has been kept constantly in mind. The desire has been to divulge in a large way to the possible or actual visitor what New England holds for him. To attempt to enlighten the intelligent New Englander in regard to the history, antiquities, or modern developments Of his own town is wholly beyond the limitations of this volume. We have sought only to bring together What the casual Visitor or tourist most wants to know, what the well-informed resident knows, about a town, - Why it is on the map, who made it, and what it now makes. The tests of what should be included, what omitted, have been frankly journalistic. The desire has been to select human interest information of contemporary value. While the publisher has had every desire to tell Of the live things of today rather than to dwell upon the past, he has not always been able to share the enthusiasm of the local citizen for our new gas plant or the new model concrete shoe factory, to the featuring this rather than some really great citizen or event of economic importance in the past. About the PublisherForgotten...
