Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

Brand New Book ***** Print on Demand *****.A Living Witness: The Journal Writing of My Life, Healing, and God is an autobiographical memoir I wrote from September 2001 until December 2001. It chronicles not only my internal struggles, thoughts, and emotions but opened my eyes about the society I live in that shaped my individuality. Someone was hurt before you; wronged before you; beaten before you; humiliated before you; raped before you; yet someone survived.
