Spend the whole day watching people. I miss that. - Barack Obama Of all the great cities in the world, few personify their country like New York City. As America's largest city and best known immigration gateway into the country, the Big Apple represents the beauty, diversity and sheer strength of the United States, a global financial center that has enticed people chasing the American Dream for centuries. Given that background, it's fitting that the city's most unique landmark, Central Park, sits at the heart of Manhattan and provides a stark contrast to the hustle and bustle surrounding it. As actor Haley Joel Osment once put it, My favorite place is Central Park because you never know what you're going to find there. I also like that when I look out the windows of surrounding hotels, it seems like I'm looking out over a forest. In 1811, an ambitious plan was laid out that would transform Manhattan's grid into 2,028 blocks, from Houston Street to 155th Street. Forests would be cut down, hills razed, ponds and streams filled. It took years to survey, and years to complete: at different points in time, one might have seen a long avenue laid out, unpaved, with a scattering of as-yet-unattached six-story buildings amid boulders yet to be cleared and soon-to-be-demolished shantytowns. Ironically, almost no parks were incorporated into the plan,...
