Page Publishing, Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Perfect Little Me: Past, Present, Future unleashes the power of love, struggle, and obedience. It demonstrates how a person can love oneself first while aligning life with change. As the author moves from the small town that she was raised and grew up in, she enlightens us on the struggles of being who she thought she was supposed to be. She soon learned that there was greater to be obtained. No matter how hard she tried to fight it, she was not content with just being who she had become accustomed to being. The little girl who had grown up on the outside had to somehow grow on the inside. There is a portrayal of struggle from real-life experiences followed by liberation and freedom of bondage. The past, present, and future are intertwined through empowering language and actions. Past fears and emotions are broken and greatness has taken over. As the journey begins to finding the greatness within, the author shares insecurities, self-esteem issues, and perseverance against all odds. The author aims to empower, encourage, and motivate the everyday person who have lost themselves to life. She prompts the search for the authentic perfection within. Revelations and visions penetrate the minds of those who read them. She identifies that the first step to finding the perfect me begins with love.
