IN BETWEEN: 30 DAYS STREAM OF CONSCIOUSNESS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Life is not about the day you are born and the day you die-It s all about the Dash in Between. Stream of consciousness refers to the practice of writing down ideas as they come into your head. The conventions of grammar and appropriateness of language is usually ignored when using this literary technique. For those of you who cringe at the misplaced metaphor or the comma splice, or the occasionally correctly spelled wrong word so frequently seen in this day of spell-check reliability, don t worry there are a lot more things in here to worry about. Concern yourself with the souls of those tragically lost as they express themselves in the written word and wonder what is going to become of them.
