By Editors of Cool Springs Press

Cool Springs Press, United States, 2015. Paperback. Book Condition: New. 4th Updated ed. 272 x 208 mm. Language: English . Brand New Book. Get all of the information you need to complete home wiring projects and make sure they are up to code, even for solar power collection! Black Decker Advanced Home Wiring contains a carefully selected group of home wiring projects that goes far beyond the basics of adding a receptacle or rewiring a lamp. Take your skill in working with electrical systems to a new level. Projects include adding a stand-alone, direct-current circuit powered by the sun; installing an automatic standby power system; replacing a main service panel; grounding and bonding your electrical system; installing a radiant flooring system; and working with 240-volt and three-phase power. There are also updated circuit maps to show available neutral, information on AFCI-protected service panels, and crucially important changes in GFCI protection codes. All projects include clear photos and are current with the 2014a 2017 National Electrical Code.
