Brand New Book ***** Print on Demand *****.Excerpt from First Book on Analytic Anatomy, Physiology and Hygiene, Human and Comparative: For Common and Grammar Schools and for Families This manual, designed for Common and Grammar Schools and for families, has been prepared with several objects in view. First: To so limit its size, to make its analysis so complete, to secure so natural an arrangement, with so apposite and artistic illustrations, as to render it usable in Common Schools having terms of ten or fourteen weeks, and also to present such topics for consideration as shall interest and profit pupils, parents and the people in the laws of health, which are based upon a knowledge of the laws of physiology. Second: To secure these results, the outlines of the human system are discussed relative to structure, to use and to health, with so much of Comparative Anatomy (Zoology) as is deemed needful to show the analogy that exists between man and the inferior animals, and to appetite for more extended study in the science of life. The treatment of some of the common ills...
